

# Fire Suppression

The Fire Suppression Division is responsible for responding to emergency fire calls, rescue calls, and hazardous material calls. Our Fire Suppression Division receives and responds to an average of 350 fire and emergency medical services calls per year. This division is comprised of one fire station with 15 firefighting personnel.

We operate with the following apparatus:

(2) Engines (Engine 1 and Engine 2)

(1) 75' Aerial (Truck 3)
