## YARD DEBRIS POLICY

As part of our weekly trash pick up we also pick up the yard debris. All leaves and shrubbery clippings, grass clippings must be containerized or in a bag for us to be able to pick them up. Also all limbs must be no longer than 4 feet in length and no wider than 6 inches and stacked neatly in one (1) pile by roadway.

If you have someone that does your yard work for you, they need to be made aware of this policy. Also make sure that nothing is blocking the sidewalks or the storm-water drain out in the streets.

For any questions or concerns, please contact City Hall at 247-2320 Monday-Friday 8:00-5:00.

Thanks for your cooperation,
